Murakoshi Miki

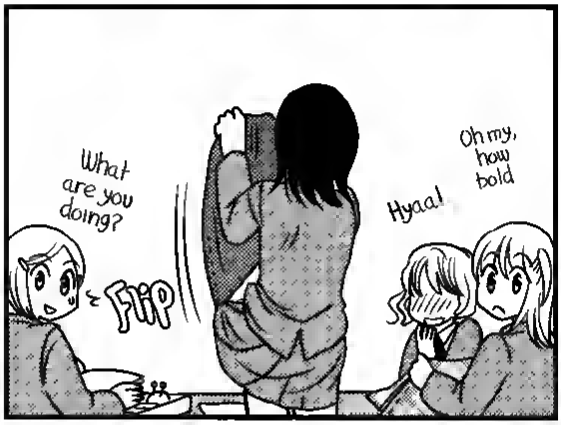
Stitched it.

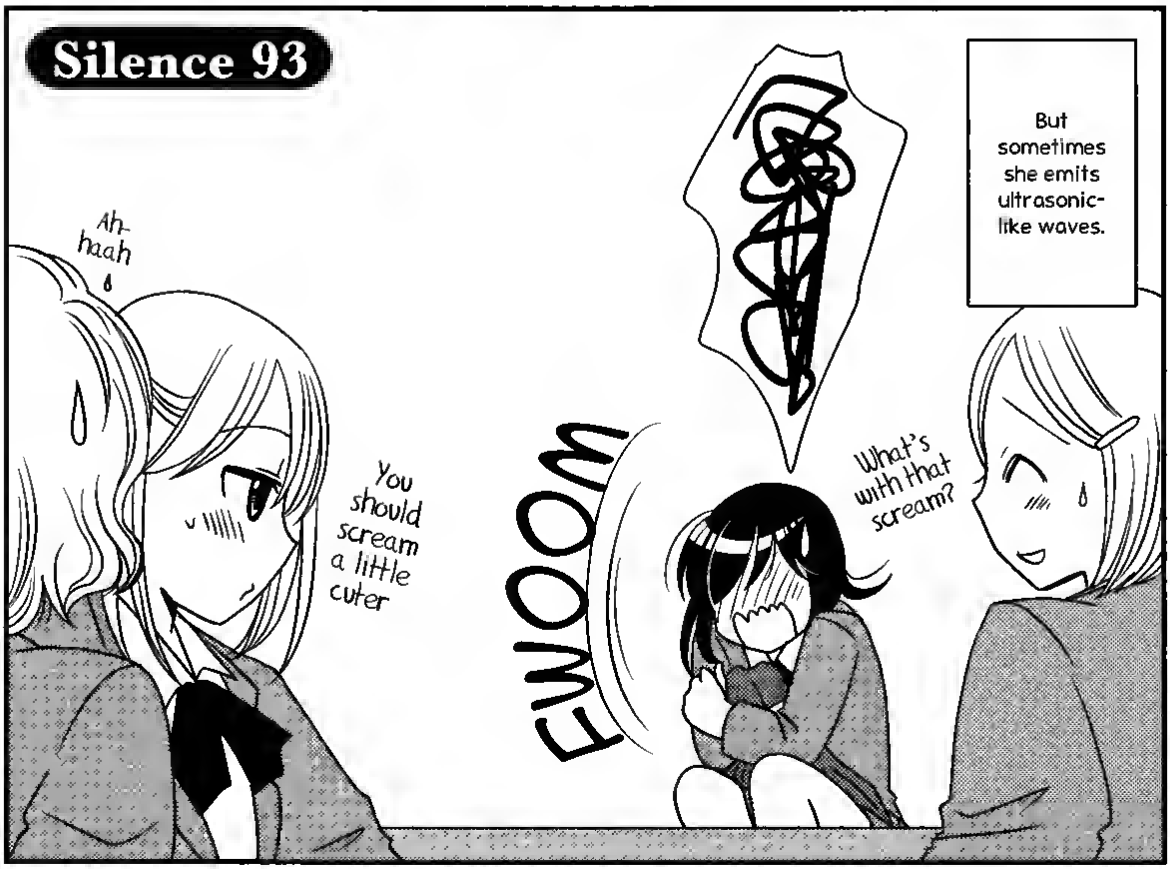
Morita Mayu, high school girl.



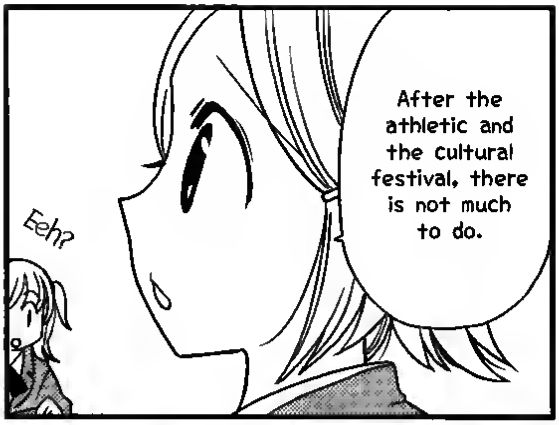
What are you doing?
Flip
Hyaa!
Oh my, how bold

...
Stitch Stitch
Quieter than most people.

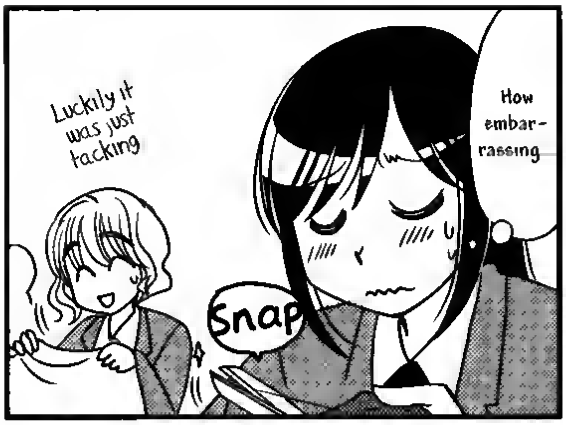
Silence 93



But sometimes she emits ultrasonic-like waves.
What's with that scream?
FWOOM
You should scream a little cuter
Ah-haah

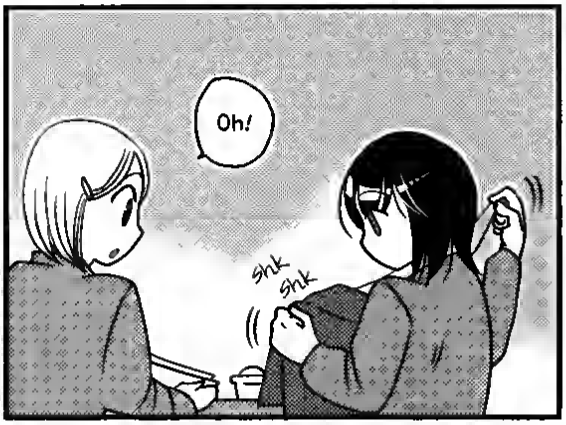


Eeh?
After the athletic and the cultural festival, there is not much to do.

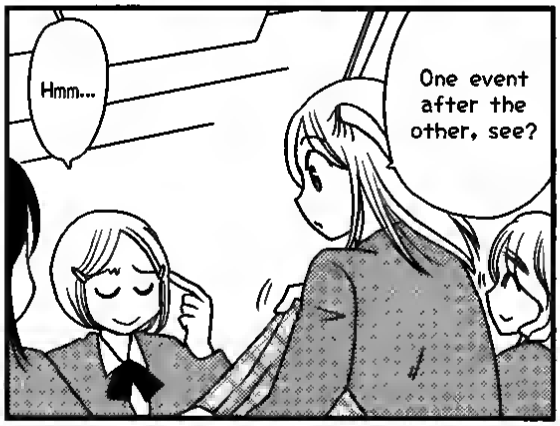


Luckily it was just tacking
Snap
How embarrassing

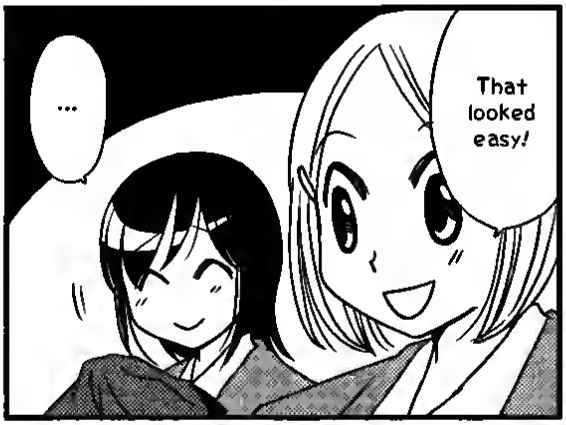
We have Christmas, New Year's, Valentine, Dolls' festival, and White Day!



Oh!
Snk
Snk

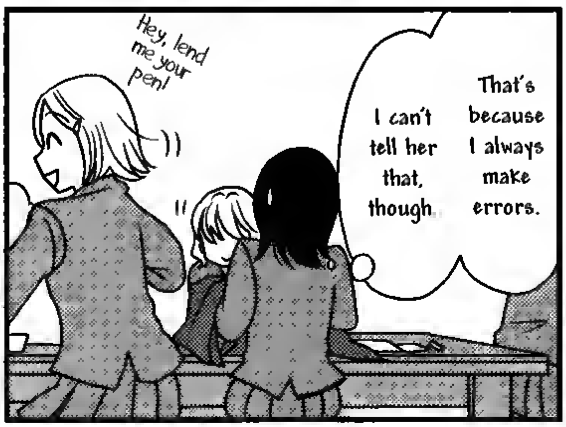


Hmm...
One event after the other, see?

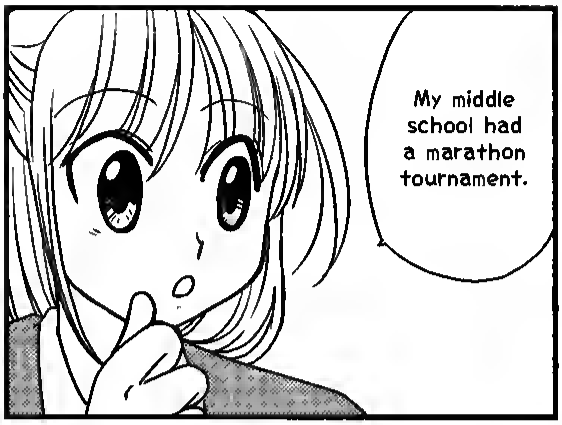


...
That looked easy!

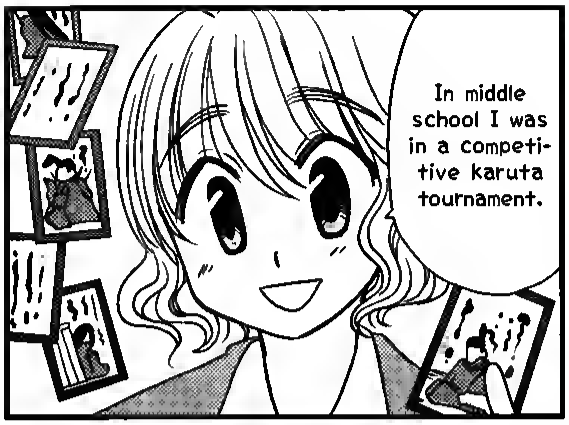
Is that what you meant
Well we do have one exam after the other
Something that makes coming to school more exciting
But no school events...



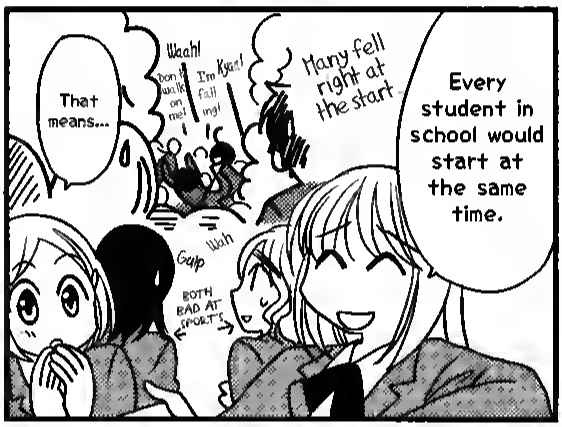
Hey, lend me your pen!
I can't tell her that, though
That's because I always make errors.



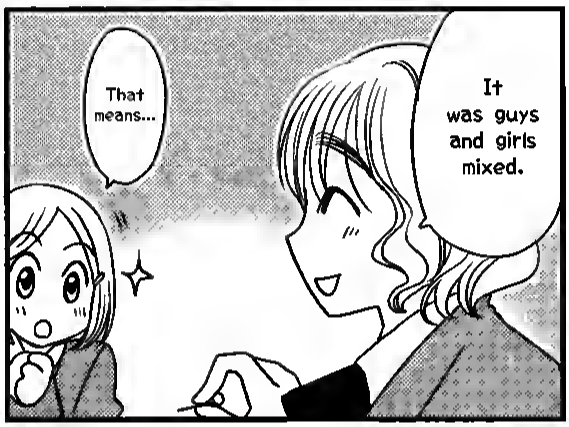
My middle school had a marathon tournament.



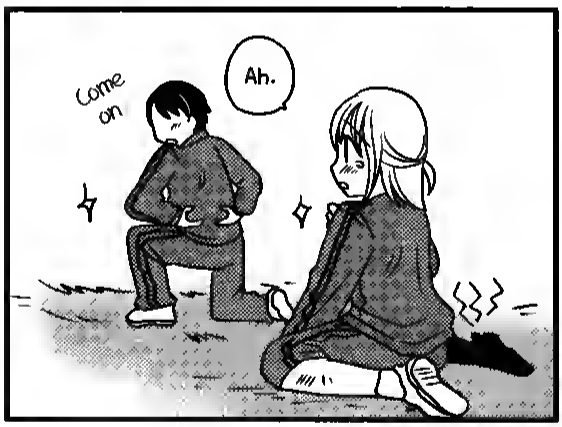
In middle school I was in a competitive karuta tournament.



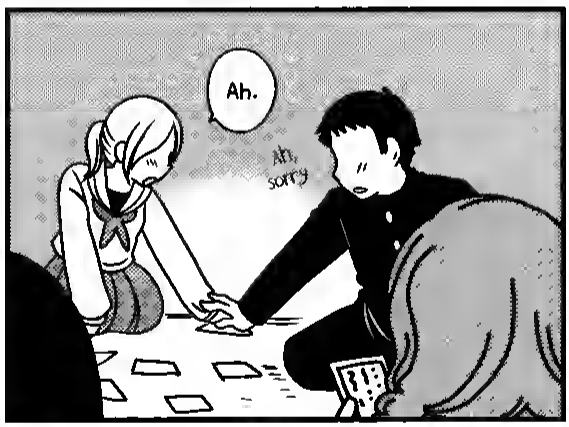
That means...
Waah!
Don't fall on me!
I'm Kyaa! falling!
Many fell right at the start
Every student in school would start at the same time.
Gulp
Wah
BOTH BAD AT SPORTS



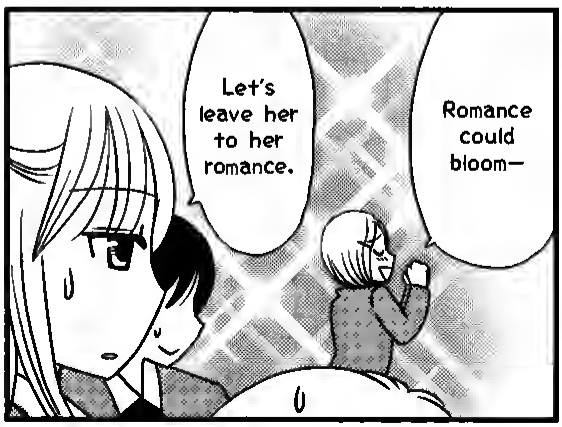
That means...
It was guys and girls mixed.



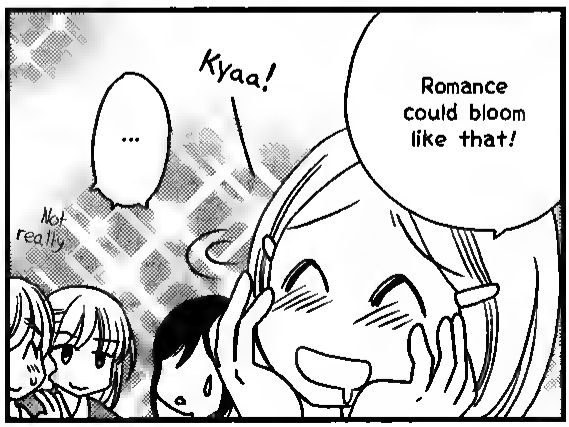
Come on
Ah.



Ah.
Ah, sorry

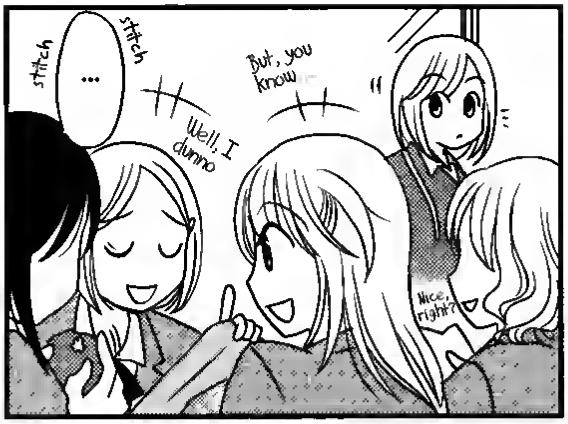


Let's leave her to her romance.
Romance could bloom—



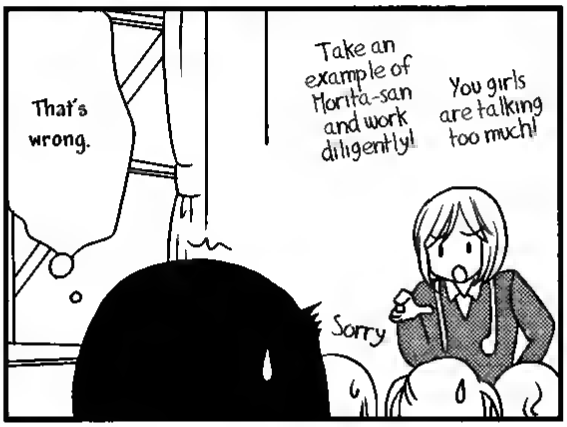
Kyaa!
...
Not really
Romance could bloom like that!

All right!

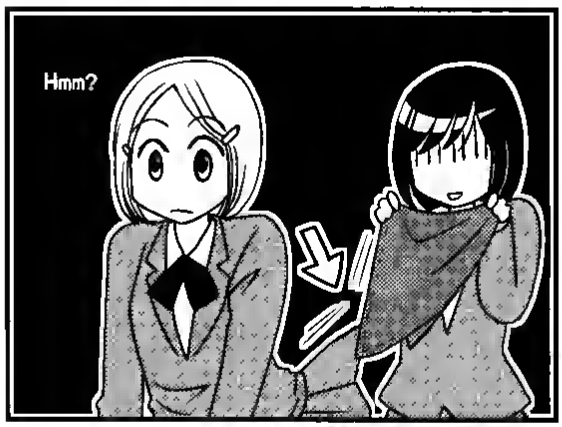


stitch
...
stitch
Well, I dunno
But, you know
Nice, right?

Done
FLIP

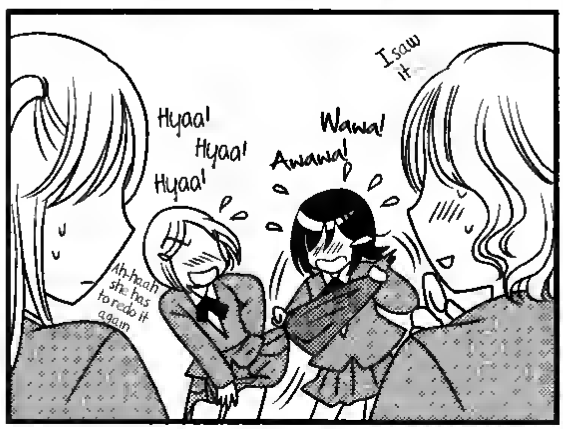


That's wrong.
Take an example of Morita-san and work diligently!
You girls are talking too much!
Sorry

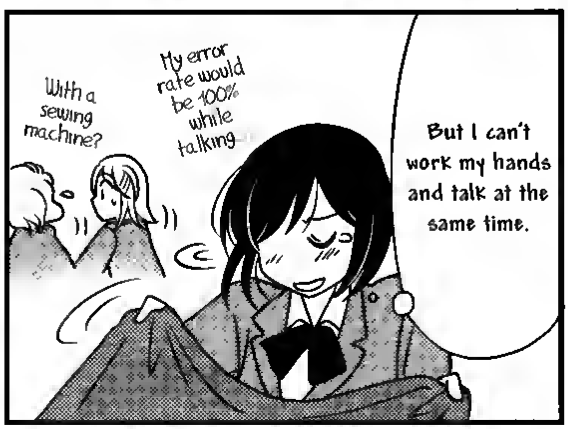


Hmm?

I wanted to join the conversation, too.



I saw it
Hyaa!
Hyaa!
Hyaa!
Wawa!
Awawa!
Ahhaah! She has to redo it again



With a sewing machine?
My error rate would be 100% while talking
But I can't work my hands and talk at the same time.
